

Your way to Hollmann-Beletage

By Car

Any direction you come from you have to get to the „**Ring**“, which is a big street surrounding the first district.

You drive along the Ring until „**Franz-Josefs-Kai**“, keep right and at the first lights turn right – to the **Salztorgasse**.

You drive along the Salztorgasse until you reach **Hoher Markt**, then turn left, drive straight away until the **Rotenturmstrasse** where you turn left again.

At the **Fleischmarkt** turn right and first street right – there you are Köllnerhofgasse 6.

Hollmann-Beletage is located in the first house on the left hand side.

Please pay attention - the first district is a controlled parking zone. Do not hesitate contacting us concerning parking facilities.

We cooperate with a public garage: APCOA Tiefgarage am Schwedenplatz (Franz-Josefs Kai – 3min walking distance from hotel). Should you wish to park your car there, we can offer you a special discount: € 23.-/day instead of € 40.-

Here's the way to the garage from Hollmann Beletage: turn right into Fleischmarkt – take first to your left: Laurenzerberg – continue until you pass the bridge – turn left after the bridge – turn left at Salztorbrücke and cross the bridge (second bridge to the left) – turn left immediately after the bridge: you will see a gasoline station BP and the entrance to the APCOA Public Garage to the right. Pull the ticket, we will give you the discount at the hotel.
